

VANDALISM BY “JACK”

This new inscription has appeared on the village welcome sign on the Kinoulton Road approach to the village. Residents are not best pleased as it leads to the impression that the village is home to

- a) Someone who isn't very good at graffiti
- b) Someone who has no pride in his environment
- c) Someone who thinks that public funds are well spent in paying for his mindless vandalism to be removed

Think on Jack; it isn't good, it isn't clever and the rest of us don't want to pay for your stupidity.
