

Community Road Safety

**Working today
to keep our
roads safe**

Keeping our roads safe for everyone is a priority here and across Nottinghamshire

Members of this community are working in their local area to keep their roads safe. They are supported by Nottinghamshire Police and the local authority.

This community road safety operation is designed to:

1. Reassure law abiding drivers that they are doing the right thing.
2. Remind those drivers who may have lapsed over the speed limit to reduce speed and do the right thing.
3. Identify those drivers who repeatedly speed or who drive at a high speed. This information then can be passed to the local police for further action.
4. Show everyone that this community care about their local area and that they want safer roads and a better quality of life for the residents.

This activity is **not** an enforcement operation but it is supported and governed by Nottinghamshire Police.

If you want to know more about this activity please contact the local neighbourhood policing team for this area whose details can be found on our web site.
