SAFETY NOTICE – DO NOT USE
SKATE PARK – CROPWELL BISHOP PLAYING FIELDS
HALF PIPE CLOSED

After further inspection of the Skate Park half pipe this morning unfortunately this has had to be closed. The quarter pipe is still in operation.

The half pipe landing board has given way underneath and is unsafe to land on. There is a 12-15” width hole along the whole length of the landing pipe.

The Parish Council have this morning taped this piece of equipment up for the safety of the skate park users.

Sadly, we have to now inform anyone who uses this equipment does so at their own risk.

ALAN WILSON
CHAIRMAN – PARISH COUNCIL
