

The union Unite has announced 4 days of planned industrial action on consecutive Mondays – 10 September, 17 September and 24 September & 1 October.

Unfortunately, on these dates, we won't be able to run some services, while others will have a limited service.

The routes affected by the industrial action are:

- calverton connection
- the cotgrave
- i4
- indigo
- the keyworth
- mainline
- my15
- rushcliffe villager
- skylink Clifton
- skylink Nottingham
- 18

All other services are unaffected and will run a normal timetable.

[Please click here to see a full map of affected services.](#)

Unfortunately, we won't be able to confirm the level of disruption in advance. Our priority during the industrial action is to keep you informed and on the move. On each day of industrial action, we will be providing live updates throughout the day from 6.30am on our website and Twitter – please follow [@trentbartonland](#)

We will also have our stars at the stop at key interchanges to help update customers.

If you need any help planning your travel during the industrial action dates please get in touch with our customer services team.

We apologise for any inconvenience caused by this industrial action. Please be rest assured that our teams will be working hard to limit the impact of any disruption.
