

Cropwell Bishop Parish Council

A Plea to the Horse Community of Cropwell Bishop

The Parish Council have received complaints about the horse manure left on the public Footpaths in Cropwell Bishop.

Horse and riders should not be riding on the public footpath, we request that if you have no choice but to ride your horse on the footpath that horse riders clear up wherever possible when mishaps occur on a public pavement.

Picture below is one on Hoe View Road public pavement this weekend.

Years ago residents would have been out with a dustpan and bucket to clear up the mess for use on their gardens but residents now see this not as a free compost but an health hazard.

Thank you

Janice Towndrow

Parish Clerk
