

Coronavirus Community Help in Cropwell Bishop

Are you unable to leave your home because of Coronavirus (Covid-19)?

Or are you shielding or self-isolating?

Has lockdown reduced your income so that it's difficult to feed yourself or the family?

We are a group of volunteers in Cropwell Bishop who have been shopping, picking up prescriptions etc., for people during lockdown and we are continuing as long as needed.

We want to help!

We are linking in with Cotgrave Community Kitchen who work hard at combating food waste. They work with local supermarkets and schemes by organising surplus food and cooking fabulous hot meals on a Thursday. The hot meals are £1.50 each.
