

NEW DEFIBRILLATOR IN CROPWELL BISHOP

Cropwell Bishop now have new Defibrillator in the telephone box on Church Street in the centre of the village.

The Defibrillator has been donated to the village by the 1st Cropwell Bishop Scout Group from their share of the proceeds from the Stilton Stumble. There will be an official handover from the Scouts to the Village when we are able to do so.

The instructions on how to use the Defibrillator are on display inside the kiosk for anyone in an emergency to use.

Janice Towndrow – Parish Clerk 18.2.21
