

Cropwell Bishop Parish Council

CROPWELL BISHOP 2022 PARTY IN THE PARK APPEAL

The Parish Council are considering reviving the above event which has always been enjoyed and well attended by the village. Hopefully with the relaxation of the Covid regulations we would be able to arrange the event for Saturday 9th July.

In order for this to proceed however, we have come to a major sticking factor in that we require the facility of two curtain side trailers to facilitate the main stage, which is a crucial part of the whole event. We have tried all our usual sources, but unfortunately due to the transport businesses being overwhelmed, we are at this point unable to find these available for the weekend at the proposed venue.

Does anyone have any contacts or ideas that may help to create the required staging for the full set up required?

The unit/s need to be protected from the weather both above, to the sides and the back, it needs to be a minimum overall size of 5.0metres x4.0metres and be set above ground by some 1.5metres to facilitate all the band and music gear.

Businesses already contacted: Proctors, Tony Starmer, Farrells, CDA, Stanley Bott and a couple of local Farmers.

Please contact the Parish Council Clerk if you can help us in any way with this dilemma and then hopefully, we can push forward with the arrangements.

Thank you

Janice Towndrow

Parish Clerk
