Comments:

Journey time between Nottingham and Cropwell Bishop reduced to about 45 minutes.

Service extended to Radcliffe-on-Trent (via Upper Saxondale) for links with 'Mainline' services

The route through Cotgrave will take in Hollygate Estate and will travel via Woodview and Candleby Road for better access to shops, school and leisure centre. Morrisons will still be served.

The route through Cropwell Bishop will be along Hoe View Road to town (from Radcliffe) and along Church St from town (and to Radcliffe).

The 33 Service will be operated by Nottsbus and replace the 850/852 services. There will be 2 electric buses operating on the route supported by 2 diesel buses at certain times.

The County consider that 70 minute interval between day time buses is necessary for driver breaks and recovery due to traffic congestion.

Whilst not perfect, the new service offers considerable improvement to our bus services and it will be reviewed with the County after a settling in period. Please use the service when you can.
