

Bike marking session available in Radcliffe on Trent

Our Community Safety team and Nottinghamshire Police will host their next bike security session later this week to assist cycle owners with measures to deter thieves.

The event takes place on Saturday May 21 at Radcliffe on Trent Skate Park, Wharf Lane NG12 2AP from 10am to midday.

Marking bikes can enable the rightful owner to be traced and reunited with their bike if stolen.

There will also be a limited supply of D locks to swap free of charge for old, weaker locks and some alarmed shed padlocks to help protect bikes whilst locked up at home. A crime prevention stall will also be available to help provide advice and information.
