

### Change In Chairman for Cropwell Bishop Parish Council

Alan Wilson was elected to the Parish Council in 1991 and subsequently elected Chairman in 2003. At the 2022 Annual Parish Council meeting Cllr. Wilson officially stood down as Chairman.

Although no longer Chairman, Cllr. Wilson will continue with his role as a Parish Councillor and will attend outside meetings and continue to represent the Council on other local village organisations such as the Memorial Hall Committee, Parish Plan Monitoring Group, Entertainments & Activities Working Groups, The Village Youth Club, Primary School “Pupils” Council, and co-edit and draft articles for the Cropwell Bishop News.

I am sure the whole village, along with the Parish Council, would like to thank Cllr. Wilson for his outstanding service as both Councillor and Chairman to our community. Cllr. Wilson has given the role of Chairman his absolute all for the last 9 years and that of Councillor for 21 years.

At the May meeting Cllr. Jacques Lacey was appointed to the post of Chairman.

Cllr Lacey has served on our Parish Council for several years and has continually been involved with local issues as well as being very hands on with many urgent situations. He is keen to continue with the ethic set by his predecessor and hopes to develop the relationship between the various clubs and societies who need our local support.
