

## JUBILEE GARDENS/OLD SCHOOL/CHURCH TROUGH SUMMER PLANTING

On a sunny warm Wednesday morning on the 18<sup>th</sup> May our wonderful gardening volunteers came along to The Old School to remove the winter planting and preparing the gardens, window boxes and Church trough for the summer plants to come.

Manure for the roses  
From the stables

Moving forward to the following week a not so sunny and warm Wednesday morning the 25<sup>th</sup> May:

All our volunteers returned to plant up the gardens, window boxes and Church trough.

It is hoped that will give a wonderful red, white and blue display when it all comes into flower to mark the occasion of the Platinum Jubilee.

The Parish Council would also like to thank another volunteer Julie Pooley who spends many hours tending the inside of the gardens and planting by the fences/gates at the Old School.

If there is anyone who would be willing to help with watering the gardens and troughs as part of a rota. please contact the Parish Clerk on 0115 9894656 or [clerk@cropwellbishop-pc.gov.uk](mailto:clerk@cropwellbishop-pc.gov.uk). All help that can be given will keep the gardens in tip top condition for everyone to enjoy.

You are welcome to come and sit a while in the peaceful gardens and view the plants, it's a lovely space to sit a while.
