Footpath to the rear of Hoe View Road

Cllr. Neil Clarke of N.C.C. and the Parish Council have been working hard for over 18 months to get the muddy footpath at the rear of Hoe View Road, that runs to Cropwell Butler, re-surfaced with stone making it more accessible to residents. We are pleased to advise our residents that at last this long awaited project has now been approved and the works will commence on the 27th February 2023.

Unfortunately this will mean, in order to carry out the necessary work, this part of the footpath will be closed for a maximum of 1 week to get the project completed, which I am sure you will all agree will be worthwhile in order to have an improved footpath surface.

Thank you to Cllr. Neil Clarke for his support, hard work and persistence in getting this project off the ground.
