

AN EVENING BUS SERVICE FOR CROPWELL BISHOP - The '92' to Nottingham and Bingham.

The Parish Council has been in discussion with Vectare (who operate the daytime 833 Bingham service) and the County Council to consider how the available Section 106 funding from the new housing estate should be used to improve our bus service.

We are pleased to report that a new evening bus service commenced on Monday 17th April 2023.

It is operated by Vectare and will operate for a period of 2 years partly supported by the County Council and Section 106 funding. After the 2 year period we hope, with good usage, that the service becomes self-sufficient.

The service is linked to the Nottingham – Newark, 90 service, which Vectare are now operating. It also replaces certain evening Cotgrave Connection Services.

A summary of the '92' evening timetable is available at:

https://cdn.vectare.co.uk/media/vboeastmidlands/92_Summary_TT_170423.pdf

(A copy is attached)

The '92' service provides Cropwell Bishop with regular evening buses to and from Nottingham and Bingham. The last buses back from Nottingham are at 2215 and 2315 (2215 Saturdays) and the last bus from Bingham at 2221 (2236 on Saturdays). There is no Sunday service.

The buses will travel along both Church St and Hoe View Road to Hollygate Estate, Cotgrave, and on to Nottingham via Radcliffe Road, (not Central Avenue) in West Bridgford

In the other direction they will travel from Cropwell Bishop Hoe View Road and Church St via Langar to Bingham and the new Bingham Estates with connections on to Newark (90 service)

For full details of the '92' services and intermediate stops please visit the following web site:-

It should be possible to track the vehicle locations on this web site.

This 'promise' should be reassuring after our troubles with the 33 service:-
