### **Agenda Item 7 – Goal Post Re-Instatement**

It was agreed early last year that the goal post that was up near the Petanque area would be moved to a different location down the Memorial Hall Playing Field to the area level with the Zip Wire location.

TLF had agreed to move the goal post into this location.

This goal post needs to be put back into situ how are we going to arrange for this to be done?

**CMBH Chairman's Monthly report May 2026**

**NEW BUILDING PROGRESS & FUNDRAISING**

- Initial response from RBC regarding Pre Planning appears to be quite positive with some points requiring confirmation and consultation in order to clarify any issues. This means further possible engagement with new consultants where specialist details will be required for validation and obviously there will be fees involved with such.
- The event held in the Old School on Sat May 9<sup>th</sup> with live band Belt & Braces was a reasonable success in that we made a nett profit gain towards future development costs, which was the main objective.
- Heather Timmins has successfully completed her "marathon in the house" task and has done well for the Charity by raising a few hundred pounds from sponsorship. Our gratitude goes out to Heather for her endeavour and tenacious attitude to complete such a physical objective.
- Anne Terzza continues with the Heritage merchandise and will be selling at this nest Saturday Cafe.
- Likewise Mel Stanley will be purveying those Bric A Brac goodies on the same day.
- CBMH thank both of them for their unending support.
- The event to be held on Sat July 18th known now as "Chillin' in the Park" is progressing in terms of set up etc. Notifications with further information are being posted on SM and wherever possible via other media to include physical posters. The biggest obstacle we feel, apart from weather and the actual organising, will be whether people think this event is similar to P in the P and bring their own food & drink, whereby we are offering a free entry with the hope of selling those elements for our only revenue?

**GENERAL**

- Pam W keeps opening up the Hall Kitchen at every opportunity and along with her group of helpers enables the various events to be fed and watered whilst topping up the Charity coffers. Thanks as always to Pam and all of her Kitchen helpers.
- CBMH seems to be moving in a positive direction, gathering new support along the way, which is critical as we move towards the main objective. I would like to emphasise that we are not attempting to create something for tomorrow or for the next generation, but something much bigger, with well over 100years hence and an even longer legacy than the Original Hall, which unfortunately has barely lasted for a century in true terms.

**PETANQUE**

- Thanks to PC for spraying the court with weed killer it has helped to maintain a better surface in general. The young trees which bound the south side are all surviving currently despite their bashing last year.
- Record numbers have been as high as 13players this year and we are considering splitting into two games and playing across the court by way of a change.

Agenda Item 8b)

Parish Council Meeting 2nd June 2026

The Launch Field Ltd Report

There will be no football training on Saturday 30th May due to the school Holidays.

The Launchfield are to be consulted regarding the location of the 2 goalpost before the Parish Council Meeting 2nd June.

27th May 2026

### **Agenda Item 9 – Village Ranger/Lengthsman Report**

The Ranger has carried out extensive weed removal down Nottingham Road where we had a lot of weeds growing up walls etc. The weeds were removed and the area sprayed to try to keep the weeds at Bay.

One of the pieces of Gym equipment is faulty and this has been reported to Streetscape and the piece of equipment taped off so it cant be used. We are awaiting feedback from Streetscape as to the repair.

Grass cutting is an ongoing process for the Ranger/Lengthsman at the moment as he keeps on top of the areas we are responsible for.

The gitty ways have all been cut back this month.

## **Agenda Item 11a)**

### **New Bus Service For Cropwell Bishop.**

From June 21<sup>st</sup> there will be a new bus service for Cropwell Bishop which will be the No.12.

This service will once again serve central avenue and offer a Sunday service for the village.

The service doesn't serve Cropwell Butler and Saxondale with every bus so the 833 will be amending their timetable to cover this gap. We don't have a revised 833 service at this time.

This information has been put onto the village facebook pages the Parish Council Page and onto the village plan.
